Dear Alondra,

This letter is in regards to the compliance check of your Level B, Registered Child Development Home completed on 4/24/15. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)e All accessible electrical outlets are safely capped. **Needed caps on outlets in the following locations: kitchen. All outlets should be checked for caps every day to ensure child safety.**

☐ 110.5(1)n Has a minimum of one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway.  
**Need one in the following room: bedroom where the children nap.**

☐ 110.5(2)a A physician's signed **statement of health and immunization status** on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every three years. **Need now every 3 years and on the new form which I will include with this letter. This form needs to be filled out for you and all of your family members in your home.**

☐ 110.5(2)b Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.

**Your CPR/First Aid Certificate expired in 1/15. Need the training. For assistance in finding training call CCRR at 866-324-3236 x 1410**

## 110.5(8) Children's Files

☐ 110.5(8)b Emergency information including where the parent can be reached, the name, street address, city and telephone of the child's regular doctor, and the name number, telephone number, and relationship to the child of another adult available in case of emergency. **Need for: NE.**

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☒ Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

**I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.**

**Please sign and date below, and return this form in the provided envelope by: 45 days of receipt.**
